

voice coaching

with Allie Tyler

The Whole Voice explores singing through the lens of wellness, creativity, and authentic expression. Our lessons together will help you feel capable & connected to your voice (no matter your experience level!), and understand how music works in a way that feels FUN! Say goodbye to your fear of sounding bad and boring music theory methods -- music is a language that anyone can learn, and your unique voice was designed to be expressed. **My promise: leave every voice lesson feeling empowered and creatively inspired.**

Welcome to the Own Your Voice digital program! In this section, you'll learn the 5 Pillar Framework and how to make the most of the program. Watch the introduction video FIRST!

Pillar 1: Alignment
The foundation to singing comes from the alignment of your body and mind (specifically in choosing supportive thoughts for ourselves!).

Pillar 2: Breath
Without breath, there is no sound! Breathing is an integral part of singing well, and although we know how to breathe naturally, singing breath requires a different technique. Let's dig in!

Pillar 3: Sound
Let's get your voice sounding 'sound' and expressing a

about allie

A California born and brewed musician, Allie Tyler is a heavily sought after vocal artist, songwriter, teacher, and consultant. Her musical studies began at age 3 and have led her on a path to performing as a professional singer, choral artist, recording artist, and operatic soprano, while teaching voice lessons over the last 15 years. As a music & voice teacher, she's taught over 500 students how to sing -- from elementary - high school music classes to semi-professionals to amateur adults. She teaches private lessons, group classes, and is currently the music director of her town's adult community choir.

As a performer, she's sung alongside Andrea Bocelli, Beck, and M83, on ESPN & Fox Sports, at the Hollywood Bowl with the L.A. Philharmonic, Staple Center, Verizon Amphitheatre, and Pantages Theatre with the Pacific Symphony & Pacific Chorale. Her work as a crossover singer has been praised by well renowned composers and directors, and she continues to creatively collaborate with artists around the world.

Allie has her Master's degree in Vocal Arts from USC, and her Bachelor's degree in Vocal Performance from Cal State Fullerton. She has perfect pitch and has been playing the piano for over 20 years. Living in the mountains of Colorado, Allie enjoys the true Colorado lifestyle of family adventuring with her beloved husband & 2 boys, hiking, reading, songwriting, going to music festivals, and traveling in their beloved camper van.
